

Clean Storm Water
... is everybody's business

Trainings Continued!

Schedule for 2009

Stormwater Pollution Prevention for Construction Sites

As part of the Fresno-Clovis Stormwater Quality Management Program, the Fresno Metropolitan Flood Control District, along with the City of Fresno's Solid Waste Management Division, the Associated General Contractors of California, the Building Industry Association of Fresno/Madera Counties and the Fresno Builders Exchange are offering a free monthly training course to help you implement state and local stormwater BMPs for construction sites to comply with state and federal regulations.

Dates: January 22, March 26, May 28, July 23, September 24** and November 19, 2009

**Annual Stormwater Compliance Update for Construction Sites' is scheduled for September 24 at the Clovis Memorial Building from 1:00-4:30 p.m. If the State's draft General Construction Permit is issued before 9/24/09, an announcement of a special training date will be sent out.

Time: 3:00-4:30 p.m.

Location: Fresno Metropolitan Flood, 5469 E. Olive Ave., Fresno
(see map and calendar on reverse)

Class Size: 40

Description: Assists developers, contractors and sub-contractors responsible for implementing stormwater pollution prevention (erosion and sediment control best management practices BMPs) at construction sites, with an emphasis on erosion and sediment control BMPs. Find out how to comply with state and local regulations by:

- Learning about job site stormwater runoff problems and solutions.
- Recognizing basic stormwater pollution prevention BMPs, including erosion and sediment control BMPs
- Scheduling erosion and sediment control BMPs according to the season.
- Maintenance and inspection of storm water BMPs.
- Keeping your site in compliance with current and new stormwater permit regulations.

To register for the training course, please e-mail Brandy Swisher at brandys@fresnofloodcontrol.org with your contact information and names of attendees, or call Norma Lopez at (559) 456-3292. Registration includes training materials and a Certificate of Completion.
