

<h1>POLICY MANUAL</h1>	Date Adopted: September 25, 2002
Classification: BOARD OF DIRECTORS	Date Last Amended:
Subject: Community Relations and Advocacy	Approved By: <i>Bohdan Wyk</i>

It is District Policy that Directors shall actively seek individual, public and community input through their community activities and other public events in order to effectively advocate programs for the District.

It is further District Policy that all District related public meetings, media briefings, and the associated invitations, press releases, and agendas for these events shall be reviewed and approved by the Chairman of the District or his/her designee. Such invitations and press releases shall be under the name of the Chairman or his/her designee.

The General Manager/Secretary and or his Assistant shall work directly with the Chairman or his/her designee on all such matters, including the selection of dates to accommodate the Directors and other major participants. Every effort shall be made to select event dates assuring the highest attendance of Board Members. Attendance by major participants and other officials will also be considered in the selection of an event date.
