*Preferred and alternate field trip dates are not guaranteed. However, every effort will be made to honor indicated preferences.

WHY SHOULD YOUR SCHOOL/ORGANIZATION RECEIVE GRANT FUNDING?

Please describe your School/Organization and explain why your students/participants need this grant funding opportunity. (Please limit to 250 words maximum.)

By submitting this application, you are hereby obligating the School District/Organization to defend, indemnify, and hold the Fresno Metropolitan Flood Control District (FMFCD) and its Directors, officers, employees, and volunteers harmless from and against any and all claims relating to this grant or FMFCD's performance of the Project, including, but not limited to, claims for personal injury, property damage, wrongful death, economic loss, and taking of property.

The information on the enclosed application has been prepared by me or under my direction. I am the authorized representative for the School/Organization and have authority to sign on behalf of the School District/Organization.

Signature of Project Coordinator (If School, use Principal)

Print name: _____

Return the Clean Stormwater Grant application to:

Grant Administrator
Fresno Metropolitan Flood Control District
5469 E. Olive Avenue
Fresno CA 93727
Phone: (559)456-3292 | Fax: (559) 456-3194
Environmental@fresnofloodcontrol.org

Questions regarding this program can also be emailed to
Environmental@fresnofloodcontrol.org.

If approved for funding by the FMFCD Board of Directors, FMFCD agrees to fund a field trip for the School/Organization to Scout Island. Funding includes payment of the Scout Island docent fees and transportation costs. Scout Island fees will be paid directly to the Fresno County Office of Education or Organization by FMFCD. Upon receipt of the invoice for the transportation from the School/Organization, FMFCD will submit payment to the School District/Organization or private bus company within 2 weeks. If the transportation costs have been paid by the School/Organization, FMFCD will reimburse the School/Organization within 2 weeks.

Once approved, **the School/Organization is responsible for contacting Matt Stewart from Scout Island** at (559) 265-4062 or mstewart@fcoe.org to schedule the field trip.

Optional clean stormwater presentation and NGSS compliant classroom/general activity materials (providing an overview of local water resources, the water cycle and stormwater pollution prevention) are available upon request, free of charge. Contact the Grant Administrator to schedule the presentation and delivery of free materials.
